FREDERIC HEARS CO. RED CROSS

LARGE CROWD ATTENDS. GOOD SPEAKING AND SCHOOL OR-CHESTRA.

The annual Red Cross roll call begins on Armistice day, Saturday, No vember 11, and in preparation for this event, officers of Crawford county chapter have been out letting the people know something about what the

ple know something about what the organization is doing. Thus far the conducted among animals, proving largest event was held at Frederic, last week Friday evening.

Every available seat in the assembly room of the high school was occupied and many persons were standing about the room! The meeting was should insist upon clean milk, from about the room! The meeting was dairles that are kept sanitary and salled to order by Chris Olsen of Graylling, county Red Cross chairman, who introduced Charles Craven, of Frederic who was to act as chairman of the meeting. Mr. Olsen in his opening remarks told what the meeting was for and welcomed the people in a most cordial manner.

The first speaker was Melvin A. bership and support that may enable it to continue.

Dr. C. R. Keyport, of Grayling told of the work of the Red Cross in Craw-

public health nurse, who succeeded idy, piano; Beatrice Trude, Georg Ann Walton, had been requested to tell Granger and Herman Hanson, violing of her work among European count Don Reynolds, Archie Cripps and Altries. This she did in a most inter-bert Trudo, cornets; Vernon Klingenesting manner. Her first work there smith, banjo and Finley Klingensmith, was in Montenegro, where the work traps. At the was conducted principally among children. She was next stationed in Poman Comman dren. She was next stationed in Poland. She spoke glowingly of the
work conducted there by the Junior
Red Cross. In both these countries
the people deeply appreciate what the
American people are doing. It was
similar in Greece, where she was in
baby welfare work. The Red Cross

The county chapter spent \$1,000 last year in the various activities in the interest of health work, re-lief and salary paid the public health nurse. There remains in the treasury at this time about \$1,100, and it is oped that when the annual member hips are renewed this year that th amount may be largely increased and thus the splendid work that is being done may continue. Every cent that is taken in is being spent judiciously and carefully and nobody received any pay for services except the county nurse, who devoted her entire time to county work, in the schools and else-

where.

County Agricultural Agent R. D.
Bailey, gave a very interesting discourse on the value of milk as food and cited several examples of test

it to continue.

Far from being the least attraction on the program, was the music by the Grayling High school orchestra, that had generously offered their services for the occasion. They rendered several selections interspersed among eral selections, interspersed among the addresses, and each time were well of the work of the Red Cross in Crawing ford county, and especially about the work that is being done and benefits tion of Miss Gneich, teacher of music accomplished by the public health nurse. FERRIS DEFEATS TOWNSEND WEBSTER DAVIS

Republican State Ticket Is Elected.

Democrats Elect Sheriff and Co. Clerk

Tuesday's election was a veritable Democratic landslide. It seems that all hotly contested offices went to the Democrat candidates. Republicans elect all state officers from governor to attorney general. Townsend for U. S. senator was defeated by Woodbridge N. Ferris, former governor of Michigan, by about 16,000 votes in the state.

It was a bitter campaign between Senator Townsend and Former Governor Ferris, the Democratic campaign cry being "Newberryism." This was played up to the finish and seemed to be the only thing they could dig up against Senator Townsend, after 20 years of service in congress and the U.S. senate.

Senator Townsend attributed his defeat to the women voters, who, he said, erroneously believed he had committed an offense against the government. Mr. Ferris said, "The defeat of Newberryism in this state is a victory looking to cleaner elections." He says that the first thing he will do in Washington will be to try to unseat Newberry.

For the offices of congressman, state senator and representative in the State legislature, the Republican candidates had no opposition.

Crawford county, like many other counties in the state gave Mr. is a big majority. There were no contests for the county offices except for sheriff and clerk, both of which were won by the Democrat candidates. Frank Sales, candidate for clerk had a big margin over Oliver B. Scott, The popularity of Mr. Sales, the capable way in which he Republican. conducts his office and the apparent general political unrest all helped to pile up the big vote he received.

It was a hot race between Jess E. Bobenmoyer, Republican, and Peter F. Jorgenson, Democrat, for the office of sheriff. Mr. Jorgenson wor with a margin of 104 votes.

The three amendments were lost in Crawford county, however the or pertaining to the port district, appears to have a chance to carry in the state. The amendment proposing an income tax was overwhelmingly de-The excess condemnation amendment lost also in the state.

On this page may be found an account of the voting in Crawford county, by townships. The figures are unofficial and not assured of being correct, however they will not vary far from the exact count.

While nearly all the rural communities in Crawford county were voting in about their usual political custom, Grayling was piling up big Democratic gains. The total number of votes cast in Grayling were 630. The Democrats came across with 176 straight ballots and the Republicans with 73. There were 284 Republican and 89 Democratic split votes.

Being accustomed to speak to crowded auditoriums, Mr. Davis took occa-sion to remark that the people of Grayling were not giving their seniors a square deal when they failed to patronize the Lyceum Course. He said that a community may be judged by the way they supported a lyceum course the better class of people attend; the hoodlums do not attend. CRAWFORD COUNTY STATE TAX-

The state taxes for property owner The state taxes for property owners of Crawford county will be reduced this year \$2,714.26. This means a reduction of nearly 21 per cent, and will be glad news to every property owner in the county.

Last year Crawford county tax pay-

ers paid into the state treasury the sum of \$12,869.86. This year they wil

have to pay \$10.155.60, or \$2.714.26 less than they paid last year. This is a good record and Gov. Grosbeck and his republican administration is deserving of credit for the saving that has geen made. Propor-

tionate savings will be enjoyed by all counties of the state, practically all of which have many times the valuation of our county, thus the savings in the state expenses are enormous. Let the good work go on.

Crawford county will receive from the state this year primary school money amounting to \$13,548.60, or \$3,393.00 more than this county pays

THE LONG CHRISTMAS GIFT.

The Long Chelstmas Gift.

There are many good gifts that one can choose, at Christmas, but for lingering satisfaction, long-drawn-out, what is there, after all, that can be named in the same breath with The Youth's Companion? The fun is only begun with the first Christmas number. Thereafter through the 52 weeks of the long, long year, it is constantly supplying fresh sources of amusement and information. Now it is the beginning of a new serial, then it is a contribution of vital interest to the youth interested in sport or science, next it is a bran-new story by C. A. Stephens et A. S. Rev. B. M. Bridges Gives Facts in His Case

It is doubtful if there has ever been a medicine endorsed by so many minis-ters of the Gospel as has Tanlac. Indeed, there is scarcely a faith, creed or denomination in all the land in which one, or more, of the clergymen has not publicly expressed their in-debtedness to the Premier Preparation for the benefits they have derived from

One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely known and beleved Baptist preacher, residing at Mooresboro, N.C., whose statement follows:

"Taniac has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to any-one who is in a run-down condition. For ten years past 'I have had such a severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very

little sieep or rest.
"It seems that I took nearly every-thing trying to get myself right, but nothing helped me until I ran across Taniac. My nerves are so much better now that my sleep is sound and re-freshing. I enjoy my meals and have also gained weight. I can say from experience that Tanlac is a splendid medicine and tonic, for it has built

me up wonderfully."

Tanlac is sold by all good druggists. -Advertisement.
